

APPROVAL FOR A NON-GRADUATE COLLEGE DEGREE GRANTING DEPARTMENT TO APPOINT GRADUATE COLLEGE FACULTY MEMBERS

Policy

The Graduate College will allow faculty members in non-degree granting departments to apply for Graduate Faculty membership through the department if the faculty members in the department provide Graduate College coursework through that department (5000 or 6000 level courses) or faculty members in the department provide important training for graduate faculty members and/or graduate students.

Graduate Faculty members in these departments will be appointed as Associate Members and may serve as the outside member on a graduate student's committee. The appointment of Associate Members shall be renewed every 3 years.

Procedure

- The non-degree granting department must be approved by the Graduate College to appoint Graduate Faculty members.
- Faculty should apply as Associate Members through the Graduate College database online at <http://graduate.ouhsc.edu/newFacAppt/introhome.aspx>.
- Appointment level is based upon Graduate College guidelines for Levels 1-4.
