

The OUHSC Graduate College invites
Graduate Students and
Postdoctoral Fellows

Career Development Seminar Series

*“Bring Your Ideas to Reality with the Tom Love
Innovation Hub”*

Thomas Wavering

Executive Director
Tom Love Innovation Hub
University of Oklahoma

Mr. Tom Wavering is an accomplished executive, leading technology from conception to commercialization through license, original equipment manufacturer (OEM), product, or spin-off across a wide range of markets and technologies including biosensors, biomaterials, pharmaceuticals, health IT, medical devices, mobile health and much more. Mr. Wavering is a national expert in the Small Business Innovation Research (SBIR) programs and is currently leading a number of SBIR-related statewide outreach efforts in Oklahoma.

Executive Director Tom Wavering will discuss all of the programs and resources available to OUHSC graduate students to help bring their ideas to reality.

Friday, December 14th, 2018
12:00pm
Bird Library Auditorium, LIB 299

Lunch will be provided for the first 30, please [RSVP](#) to ensure accurate head count using the online Doodle poll: <https://doodle.com/poll/sgxg8anbbncnemrm>
