

GREAT 2021: INSTRUCTIONS FOR (10 min) ORAL PRESENTERS

Oral Presentation Preparation:

- Email your PowerPoint to Carla Shackelford (Carla-Shackelford@ouhsc.edu) by Monday, March 15th, 4:00 pm. This will be a backup in case something goes wrong while you are presenting.
- You will be presenting on Zoom.
 - If you created the PowerPoint on a Mac, be sure to use “Insert Picture” instead of copy-paste for figures.

On the day of your presentation:

- Log into your Zoom session at least 10 minutes before it begins so the moderator and judges will know you are present.
- Oral presentations have 10 minutes to give the presentation with an additional 5 minutes allowed to answer questions from judges and audience. Points will be deducted for exceeding these time limits.
- A student moderator will break in after 9 minutes to tell you that you have one minute remaining. At 10 minutes, the moderator will again break in. Please conclude immediately. Failure to conclude immediately will result in a point deduction.
- The same procedure will occur for the additional 5 minutes each presenter has for question & answer.
- There will be 3 judges each session. See sample score sheet at the end of this document.
- Winners will be announced during the awards ceremony immediately after the Keynote Address scheduled for 1pm on Thursday, March 25th, via Zoom.
